Hon. Nicholas G. Garaufis:

Date: 12-16-14
Re: 10CR615 (NFF)

I'm writing to you because I received a copy of my Presentence investigation report that says that this first draft was prepared on 12-3-14. It is my understanding that I have 14 days to submit any objections and/or corrections to the report. Well I have a multitude of objections and request for corrections to this report, and I only received this first draft today 12-16-14. I am requesting with respect to the aforementioned that the time period be extended or excused. It is unfair and detrimental to me to allow this report that contains a plethora of fallacies, to be submitted for the sake of expediency. I understand how important this process is, and only wish for this report to represent established truth, and not an abundance of falsehoods.

Respectfully Submitted,

R. J.
Ronald Herron.
